

Hi Friends,

I'm Karen Diaz and I'm a Regional Organizer working in CA-10 with the California Democratic Party along with my colleague Lucia Nunez who is the Senior Regional Organizer. Our team will be periodically sending out an email to let activists across CA-10 see highlights from the field, know where our team will be, and know specifics asks for the week. This is all part of the [March Into '18](#) project that we focused on.

Town Hall Announcement:

Rep. Jeff Denham announced that he will be hosting a townhall (Please RSVP to Speed up Check-In "CD-10 RESIDENTS ONLY"). Save the date: Monday, April 17th at 6:00 PM at Larsa Banquet Hall, 2107 E. Monte Vista Ave., Denair. It's really important to pack the room to pressure Denham and show the growing resistance. Share with all your neighborhoods the importance of this townhall. EVENT HIGHLIGHTS

Turlock-- Not even the at times pouring rain could stop an enthusiastic crowd from gathering for the Stan For Trans March for Trans Rights & LGBTQ+ Solidarity put on by Our Revolution Turlock. Hayden Pratt, creator and lead organizer of the event, worked for months with various LGBTQ+ organizations in the Central Valley to send a message of acceptance and

solidarity to the community. A historic event for Turlock, a conservative area that has never seen a march of this kind, the event received overwhelming support from the community, including standing ovations and constant cheers from passing cars. Organizers would like to thank Stan State University Police for providing the thankfully unnecessary security, as well as TPD, Stanislaus State University, and the City of Turlock, who worked with Our Revolution to make the event a success. Donations collected at Stan for Trans will be donated to Love Evolution's Rainbow Prom event in May.

Patterson-- Patterson Progressive Alliance in conjunction with Manteca Democratic Club hosted a townhall in support of the Single Payer Bill S.B. 562. The Patterson residents had the opportunity to watch "Fix It, Health at the Tipping Point" documentary. The panel included Amy Glass a member of the California Nurses Association, to help explain the benefits of the bill and how in her time as a nurse she has seen the need for healthcare for all.

Our Team Schedule

Below are some of the upcoming individuals meetings we'll be attending in the district. We are hoping to meet up with as many groups as possible. If you have an upcoming event or action that you'll like me or Lucia to attend, or would like to grab coffee, please give us a call at:

Saturday 4/15 -- Tracy & Manteca VR Drive (Lucia & Karen)

Ways To Take Action This Week

Here are a few ways to take action this week to continue to push Rep. Denham on the issues:

- TownHall Photo Exhibition Project: Here's how you can help:
 - a. Send us your photo and reason for supporting the ACA (you don't have to be personally affected by the ACA) or send a question that you want Rep. Jeff Denham to answer to Karen at KDiaz@cadem.org. If you have the time, a handwritten story is even better! You can email or hand it off to us in person from now until Sunday April 16 @ 12:30 PM
 - b. Call your friends who live in Denham's district and ask them to go to the Townhall and send their stories, too – the more the merrier!
 - c. Donate printing help - do you have a printer at home that we can use? Or would you be willing to print some at a store?
 - d. Want to take lead and help with the project email me at KDIAZ@CADEM.ORG

- Participate in Voter Registration events happening every Tuesday, Wednesday and Saturday during April. Let's get more Democrats registered!
- Attend Mobile Office Hours happening throughout the month in each city across the district (see above for times, dates, and locations). Be prepared to have ID or proof of residency.
 - a. Have questions prepared, be respectful but firm and demand Rep. Denham answer questions.
- Write a Letter to the Editor: This could be focused on a particular issue you're concerned about, how Rep. Denham is asking people to RSVP to attend the townhall, or how he is sharing his townhall with 4 other elected officials.
 - For help on how to write a LTE [CLICK HERE](#)
 - For examples on what others in CD-10 are saying [CLICK HERE](#)
- Tweet at Rep. Denham: Tweeting our congressman at @RepJeffDenham is another way to get his attention, in addition to calls, letters, and emails. #WheresDenham and #TellDenham #Denhamtaxes are some hashtags that are starting to get attention on Twitter and FB.
- Set up your own event in your community or work with local groups already in the ground: Rallies, marches, phone banks, letter writing parties, press conferences, canvass (door- to-door knocking), flyering, visibility can all be good ways to get press to cover issues that you care about.
- Share Your PP Mar Monte Story: Let Rep. Denham know why PP matters and how it will affect the community if defunded. [Click Here to Share](#)

Please share to all of your networks. We would have not been able to pressure Denham and other Republicans to pull the GOP health care bill without all your help and effort, thank you for all you do!
