October 2013

.President's Message

This month the club is moving its regularly scheduled 4th Tuesday meeting to the 5th Tuesday so that we can accommodate a candidate running for the Superintendent of Alameda County Schools. The candidate is Jeff Bowser, currently President for the Pleasanton Unified School District Board of Trustees and formerly a classroom teacher. Jeff has school board meetings on fourth Tuesdays. The top two candidates will have a run off next year in the gubernatorial election.

We will also invite any other registered Democrats seeking this position (per our by-laws) for our General meeting now scheduled for October 29th at 7:00 pm at the Faith Lutheran Church on Redwood Rd.

Looking forward to seeing you all as we are on the cutting edge of our local elections! Also if you have not done so , Please remember to renew your dues. We need to pump up our roster to participate fully in the coming elections.
Dolly Adams, President CVDC

Free Movie Showing

Come see the compelling film, "Road to Apartheid" , showing on Sunday November 10th at the Castro Valley Library, 2pm - 4:30pm. This moving film will make for thoughtful discussion. Light refreshments will be provided.

Stop Fast Track Approval of TPP

The Trans Pacific Partnership is a extremely dangerous Global Trade Agreement(think NAFTA on Steroids!) which is being negotiated secretly by the US Trade Rep., 600 Corporate Advisors, and 11 other countries. The Fast Track being sought by Pres Obama would allow approval with little debate and no chance for amendment. If ratified the TPP would nullify Food Safety Laws, Worker Safety, Clean Air and GMO Labeling and much more. Call Eric Swalwell, Sen.Boxer & Feinstein and tell them NO on Fast Track. This is a very time sensitive issue that could come up in November. Please call ASAP
