Our January meeting was very well attended thanks to our excellent speaker, Norman Soloman. His speech was very eye opening about the true cost of endless wars. At the end though, I felt encouraged to keep up the fight to win our country back. We also had Ellis Goldberg speak about the petition drive to get Majority Rule back in Sacramento. Several members signed up to be petition circulators.

Our membership elected officers for the new year. Saundra Hodges was elected President. We are so happy that she has welcomed this responsibility and we all look forward to working together in the coming year. At this time we want to acknowledge all the years of dedicated service that our outgoing President, John Bass has given our club. Thank You John!!!

Coffee with a Conscious at Don Jose continues to rock!. This is an informal no host get together that is held monthly on a Saturday. We discuss politics and the news of the day and it is really a good time. If you would like to get a notice of this type of gathering by email let Pat Marchant or Sonya know your email address.
