Greetings Democrats

While at our booth during the Fall Festival, I was frequently asked, “What effect will reapportionment have on this district?” My answer was, “why don’t you come to our club meeting featuring the Central Committee’s ‘Road Show’, which will tell us all about it.” Our next meeting will be Tuesday Oct. 25th, 7pm at Faith Lutheran Church on Redwood Rd.

Where Are We Headed? These are very exciting and troubling times. People are at last rising in opposition to Wall Street! Still, we would be wise to exercise caution in keeping the Occupy Movement from being co-opted the way that the Koch Brothers and the Republican Party took over the Tea Party cause. While the Democratic Party presumably has much in common with Occupy they seem hesitant to actually endorse them. Is it more appropriate that Dem. Politicians at Occupy gathering are never seen? Let’s have a discussion of the Occupy Movement and what effects it is having on politics and policies after the Road Show.--- Karl Hodges
